# WEBSITE TERMS OF USE

*Logistics for Events*

**Effective date:** 11 November 2026

## 1 Website owner and scope

The website https://logisticsforevents.com/ (the "Website") is owned and operated by LOGISTICS FOR EVENTS LTD, a company registered in England and Wales under company number 15917358, with its registered office at 4-8 Ludgate Circus, London, EC4M 7LF, United Kingdom, trading as Logistics for Events (L4E). In these Terms, "L4E", "we", "us" and "our" refer to that legal entity.

These Terms govern access to the Website, its content and its contact forms. The Website is intended primarily for companies and individuals acting in a professional or business capacity.

By using the Website, you agree to comply with these Terms. If you are acting on behalf of a company or other organisation, you confirm that you have authority to act on its behalf.

## 2 Informational nature of the Website

The content of the Website is of a general informational nature. It does not constitute an offer, individual professional advice or a guarantee of the availability of any particular route, timeframe, permit, customs decision, rate or transport outcome.

Submitting an enquiry through the Website, by email or by telephone does not create a contract for logistics services. Each project is governed by a written proposal, order confirmation, contract and other agreed documents applicable to that project.

## 3 Permitted use

You may browse the Website and use its content for lawful business purposes connected with a potential or existing relationship with L4E.

## 4 Prohibited use

When using the Website, you must not:

- breach any law or the rights of L4E or third parties;
- interfere with the operation of the Website, circumvent security measures, gain unauthorised access or distribute malicious code;
- use automated means to collect, copy or reuse substantial parts of the Website without our prior written consent; or
- impersonate another person or submit knowingly false, unlawful or misleading material.

## 5 Intellectual property

Unless expressly stated otherwise, the texts, graphics, photographs, videos, design, name and marks of L4E are owned by LOGISTICS FOR EVENTS LTD or are used with the permission of the relevant rights holder.

Materials may be downloaded or printed for internal, non-commercial reference. Publication, adaptation, sale, licensing or other commercial use requires the prior written consent of the rights holder.

## 6 Information you submit

You are responsible for the accuracy and lawfulness of the information you submit through the Website, and you confirm that you have the right to provide it.

Please do not submit passport details, payment details, special category personal data, confidential drawings or other sensitive information through the general contact form unless L4E has separately requested it through an appropriate channel.

The processing of personal data and the use of cookies are described in the Privacy and Cookie Policy: https://logisticsforevents.com/privacy-policy/.

## 7 Third-party links and services

The Website may contain links to, or tools of, third parties. L4E does not control their content or availability; such services are governed by their own terms.

## 8 Availability and security of the Website

We may change, suspend or discontinue the whole or any part of the Website without prior notice. We do not guarantee uninterrupted or error-free operation of the Website.

## 9 Accuracy of information

L4E uses reasonable efforts to keep the content of the Website up to date but, to the extent permitted by law, does not guarantee its completeness, accuracy or suitability for any particular project. Before taking any operational decision, you should obtain written confirmation from L4E in respect of the relevant order.

## 10 Liability

Nothing in these Terms excludes or limits any liability that cannot lawfully be excluded or limited.

To the maximum extent permitted by law, L4E is not liable for indirect or consequential loss, or for loss of profit, business, data or opportunity, arising solely from the use of the Website, the inability to use it or reliance on its general content.

Liability connected with logistics services is determined by the written documents of the specific project and not by these Terms.

## 11 Changes

We may update the Website and these Terms. The current version is published on this page with a new effective date.

## 12 Governing law and courts

These Terms are governed by the law of England and Wales, without prejudice to any mandatory rights that cannot be limited by contract. Any unresolved disputes shall be resolved by the courts of England and Wales.
